To Whom It May Concern:

It is my pleasure to recommend Mr. Gary Graham and his company, Simple Printing.

Gary has been a top-notch vendor to our District for over a decade, and in that time has established a reputation for scrupulous honesty, fair pricing, quality work and on-time delivery.

Time and time again Simple Printing has completed our most demanding projects, whether carbonless enrollment forms or complicated student handbooks. Small or large jobs, long or short runs, Gary handles it all and consistently exceeds expectations.

I measure vendors by the overall value they bring to the table. In terms of service, price and reliability, Simple Printing meets and exceeds this measure.

Sincerely,

Brian Tanguay
Purchasing-Warehouse Supervisor
